

EDGE URBAN CROYDON

The Croydon Partnership, the joint venture between Westfield and Hammerson, is committed to investing £1.4 billion to redevelop Croydon's retail town centre.

The Partnership will deliver a 1.5m sq ft scheme to transform Croydon into a retail and leisure hub for South London, creating 5,000 new local jobs, up to 1,000 new homes and acting as a catalyst for the wider regeneration of the town.

Independent since 1885, Gleeds is a global property and construction consultancy that has built its reputation on delivering award-winning projects around the world. Gleeds helps businesses and investors achieve best value from their assets by providing advice that is reassuringly free from conflict of interest.

We operate a partnering principle with clients and project teams, delivering an extensive range of services to provide solutions for every stage of the property lifecycle.

Rick Mather Architects bring expertise in delivering high quality, innovative, award-winning projects encompassing architecture, masterplanning and urban design.

Our approach concerns the enhancement of the built environment through design. Completed work spans both new build and renovation.

This is combined with a recognised and innovative expertise in the intelligent re-interpretation of existing, often listed structures and in sustainable low energy building.

We love challenging how people think, changing perceptions of businesses, communities and even whole towns and our ongoing work forming and facilitating the private sector partnership Develop Croydon is testament to our success.

Offering clear and impartial professional marketing and promotional advice to public and private sector clients, we provide public relations, marketing, and event and design assistance.

Our clients at MIPIM 2017 include Develop Croydon, Kingston Futures, and the LandAid MIPIM Tennis Tournament.

Croydon is redefining life on the edge of London. Just 15 minutes from Gatwick, the borough isn't just the meeting place of town and country.

It's where the grass roots of business growth and tech innovation are reaching up to take advantage of the £5.25bn of capital investment currently being injected into this key strategic location.

Confidence in Croydon has never been stronger.
